# Latar Belakang

LanceNesia adalah platform online yang **menghubungkan freelancer** (pekerja lepas) dengan **klien yang membutuhkan jasa mereka**. Ini memungkinkan freelancer untuk menawarkan keahlian mereka dan klien untuk mencari solusi atas proyek atau pekerjaan tertentu.

Dengan menggunakan website freelance, klien dapat menemukan talenta global yang sesuai dengan kebutuhan mereka, sementara freelancer dapat memiliki fleksibilitas dalam memilih proyek dan jadwal kerja. Website freelance memanfaatkan kemajuan teknologi dan meningkatnya akses internet untuk memfasilitasi kerjasama yang efisien dan memperluas peluang dalam pasar kerja.

# Fungsi

Bagi seorang pencari kerja khususnya mahasiswa website ini dapat memberikan kesempatan untuk mengembangkan keterampilan, memperoleh pengalaman kerja, dan mendapatkan penghasilan tambahan selama masa studi. Mahasiswa dapat menawarkan keahlian mereka, seperti desain grafis, penulisan, pengembangan web, atau penerjemahan, kepada klien yang membutuhkan. Hal ini memungkinkan mereka untuk mendapatkan pengalaman praktis yang relevan dengan bidang studi mereka, membangun portofolio, dan memperluas jaringan profesional. Selain itu, bekerja sebagai freelancer juga memberikan fleksibilitas waktu yang cocok dengan jadwal kuliah, sehingga mahasiswa dapat menjalankan proyek sambil tetap fokus pada studi mereka.

## Harapan

Harapan dari website ini adalah dapat **menjadi platform yang efektif dan efisien bagi para freelancer** untuk menemukan peluang kerja yang sesuai dengan keahlian mereka. Website ini diharapkan dapat menyediakan **fitur-fitur yang memudahkan para freelancer** dalam menemukan proyek-proyek yang sesuai dengan minat dan keterampilan mereka, **dan memudahkan klien** untuk menemukan freelance yang sesuai dengan kriteria yang diinginkan sehingga dapat menjalankan perekonomian dengan lancar.

# Tools

```
state={ products: storeProducts }

}

render() {
  return (
    <React.Fragment>
      <div className="py-5">
        <div className="container">
          <Title name="our" title= "product" />
          <div className="row">
            <ProductConsumer>
              {(value) => {
                |   console.log(value)
              }}
            </ProductConsumer>
          </div>
        </div>
      </div>
    </React.Fragment>
  )
}
```

# Landing Page LanceNesia

The landing page features a central illustration of a person wearing a VR headset, surrounded by floating icons like a smartphone, a laptop, and a coin. Below the illustration, four service sections are listed with checkmarks:

- Post a Job**: A job posting is defined as an official advertisement created by the employer, human resources, or a recruiter to alert existing employees or job seekers regarding a job opening within the company.
- Choose Freelancers**: No job is too big or too small. We've got freelancers for job of any size or budget with extra-ordinary skill. No job is complex. We can get it done!
- Get Projects Aligned with Your Skills**: You will be matched with projects that align with your skills through our milestone payment system. You will only pay after the work is completed and you're 100% satisfied with the quality using our interactive application.
- We're here to help**: Our talented team of recruiter can help you find the best freelancer for the job and our technical co-pilots can even manage the project for you.

At the bottom right is a blue speech bubble icon.

**Our Team**

  
Abdul Fikih Kurnia
